SERVICES FOR PHYSICIANS

Minaret Diamond Account

The cornerstone of relationship banking, Minaret Diamond is our private relationship package, and is free for Hillsborough County Medical Association members. Minaret Diamond clients receive more than a dozen courtesy services.

Credit Services

We offer Prime Home Equity Credit Lines and personal lines of credit.

Wealth Management Services

As your trusted advisor, we offer a full spectrum of trust and wealth management services to match you with every resource you need.

Trust Services

The professional staff in our Trust Department offers a full range of services and work closely with physicians throughout Tampa Bay.

SERVICES FOR YOUR PRACTICE

The Bank of Tampa would like to care for you as you care for others. Whether you are starting your career or a well-established physician, we look forward to meeting your personal needs with private banking levels of services.

Retirement Plans

We can provide your practice with a full range of retirement services, including Simplified Employee Pension Plans (SEPs) and profit sharing plans.

Commercial Online Banking and Treasury Services

Online banking presents real-time transaction data and includes access to stop payments, wire transfers, fund transfers, and Bill Pay. Treasury services include ACH, direct deposit, remote deposit capture, lockbox, and positive pay services.

Credit Services

We provide funds for start-ups, operating lines of credit, office construction loans, property acquisition loans, and equipment purchasing loans or leasing, as well as commercial credit cards to help manage your expenses.

Small Business Checking

We offer a minimum balance requirement of \$0 and waive the monthly service charge of \$25. Monthly transactions in excess of 175 will be subject to per item charges. Practices that sign up for Remote Deposit Capture will receive free scanners, a reduced monthly service fee, and have the \$150 installation fee waived.

Heartland Payment Systems

We partner with Heartland on merchant and card payment services. Heartland offers merchants outstanding service and support; ethical, transparent pricing, and state-of-the-art technology.
